

# The 30th International Semiconductor Laser Conference

14–17 June 2026 | Tampere, Finland

## CERTIFICATE OF RECOGNITION

# Best Contributed Paper Award

*is proudly presented to*

**Hameeda R. Ibrahim, Ahmed M. A. Hassan, Xiaodong Gu, and Fumio Koyama**

*Institute of Science Tokyo*

*for the contribution entitled*

**Record 60-GHz Bandwidth 1060-nm Single-Mode Metal-Aperture Coupled-Cavity VCSEL Enabling 256-Gbps PAM4 Direct Modulation**

In recognition of receiving the highest evaluation score among contributed papers, and for an outstanding contribution to high-speed semiconductor laser technology.
